I now call upon hon. Leshoomo to second the motion.

(Hon. Leshoomo bows in seconding the motion)

The Temporary Speaker, (hon. Shadrack Lesoipa): Hon. Members, I wish to propose the question on the motion's approval as moved by the Chair of Committee on Selection. Members are free to give their opinions.

MCA Waso ward, (hon. Wonyang Ekutan): Thank you Mr. Speaker Sir. I would like the mover of the motion to clarify that all the names appearing as number ones and twos are going to be the chairs and the vice chairs in their respective committees. Thank you.

The Leader of Majority, (hon. Christopher Lentukunye): Thank you Mr. Speaker Sir. I have just gone through the list and read as it is. It is my belief that number ones and twos are going to be the chairs and vice chairs.

MCA Wamba West ward, (hon. Benjamin Leitore): Thank you Mr. Speaker Sir. I want to agree with the list. It is a well-balanced list which had taken care of all the requirements as per our Standing Order number 151, 152 and 153. Allow me to congratulate the Chair for Selection Committee for the balanced list that has attracted minimal complaints from members. It is through his leadership that the list has appeared on the floor of the House as it is with minimal complaints. I want to believe that we had given them an assignment; they retreated to Naivasha for two or so days which enabled them to come up with the list that almost satisfies everybody.

When I follow our Standing Orders 151, 152 and 153 on the criteria of forming committees and in consideration of the factors to be considered like the issues of parties, the gender factor and region, I can see that the list is well-balanced. The professionalism and interest of members have been considered.

If you look at the Committee on Education, it has members with education background. I also want to congratulate hon. Lesoipa for being the Chair of the Committee. He was also the Chair last time and he did his best to ensure that our young children are given education and services that are required under the devolved function.

Today morning, we had a Whole House discussion through the Leader of Majority and the Chair for the Selection Committee. The Committee was informed that every member should be given time to peruse the list and agree on the membership of the committees. That the senior-most member of the Assembly, hon. Lorunyei, be also considered as a chair of one of the committees. I am privileged that hon. Lorunyei is the Chair for Committee on Delegated County Legislation, one of the major committees of this House that makes sure that all legislations that are passed in this House are implemented by the executives and in totality. With the ability of the hon. Member, I know that he will make sure that this is done as required by the laws passed in the House.

MCA Nachola ward, (hon. Lawrence Lorunyei): Thank you Mr. Speaker. While I support the list, I thank my senior comrade, hon. Leitore, for mentioning my name. as he has quoted the Standing Orders number 151, 152 and 153 all issues on regional balance, gender and consultation have been considered. I want to congratulate the Committee for a good job. We have promoted the women to vices but next time we should make good use of their resources as professionals. This is because they can also lead. I support the list. Thank you Mr. Speaker Sir.

MCA Elbarta Ward, (Hon. Peter Lempei): Thank you Mr. Speaker. I stand pursuant to Standing Order number 61 which establishes the select Committee, I was not privileged to be a Member of that Committee but the whole House gave mandate to the Committee to discharge

that which is prescribed in our Standing Orders. I am impressed by their level of consideration. as said by Hon. Leitore, this recognizes regional balance...

The Temporary Speaker, (Hon. Shadrack Lesoipa): Order hon. Member for Elbarta, could you please quote the Standing Order which is relevant to what you are...

MCA Elbarta Ward, (Hon. Peter Lempei): I was not standing pursuant to that Order, but I stand recognizing that Standing Order number 61 all through, establishes the select Committees and the other Committees of the House, only that I did not quote all the Standing Orders.

(Point of Order by Hon. Benjamin Leitore)

MCA Wamba West, (Hon. Benjamin Leitore): In reference to Standing Order number 61, I think that it speaks on the removal of the Speaker.

MCA Elbarta Ward, (Hon. Peter Lempei): Mr. Speaker, I think I was referring to the page.

The Temporary Speaker, (Hon. Shadrack Lesoipa): You are totally out of order.

MCA Wamba West, (Hon. Benjamin Leitore): I refer my learned friend and the hon. Member for Elbarta to Standing Order number 151 please.

MCA Elbarta Ward, (Hon. Peter Lempei): I went by the page and not the specific number of the Standing Order. I am glad that the Speaker is not here because it would have been as if I am moving a motion for his removal.

The Temporary Speaker, (Hon. Shadrack Lesoipa): Hon. Member, you are out of order. The Speaker is live and in the House.

MCA Elbarta Ward, (Hon. Peter Lempei): Thank you very much Mr. Speaker. I think that the procedure was to remove the other sitting Speaker but thank you all the same.

The Temporary Speaker, (Hon. Shadrack Lesoipa): Hon. Member you are out of order, can you continue with your contributions.

MCA Elbarta Ward, (Hon. Peter Lempei): Thank you Mr. Speaker for all the corrections. I was on the Standing Order that allows the procedure on the establishment of the select Committee as much as I misquoted the page for a Standing Order. It also considers all the aspects that must be

considered when making the same. This committee led by the Leader of Majority, discharged its mandate within the law and procedures. I stand to support the Motion and also recognize the procedures as required by law. It also qualifies all the Members who are sitting doing that job.

I am impressed that it recognizes professionalism, gender, regional balance and all the aspects that the Constitution and the Standing Orders spell that they should be recognized for that Committee to be properly constituted. Thank you Mr. Speaker and I apologize for quoting the page instead of the law.

Leader of Majority, (Hon. Christopher Lentukunye): Thank you Mr. Speaker. I would like to thank all the Members and in particular the Members of the Select Committee for supporting this motion. As the Chair and a Member of this Committee, we have considered a number of factors to arrive at this list. We have considered professionalism, gender and regional balance. When I talk about these factors, I take an example of the Health department where it is headed by two professionals: we have hon. Paul Leshimpiro who is an expert in matters Health, deputized by hon. Antonella Lobura who is also a Health professional. When you look at the Educational department, the deputy is also a teacher.

All factors were considered. It is my belief that all the people who are heads and also the Members are up to task. I urge this hon. House to approve this list as it is. With those few remarks, I wish to thank all the Members of this House for contributing and supporting this list. The list is good and I personally support it.

MCA Wamba East, (Hon. Lukas Lekwale): Thank you Mr. Speaker. As a Member of the committee, I congratulate the hon. Members for recognizing our work. In fact, as you congratulate us, I would like to recognize the effort of the Clerk attached to our committee for his efforts. At times we congratulate the hon. Members and forget the technical team who made the work possible. I would like to note that when we were in Naivasha, they were very professional. In Naivasha, we put a name on the list and the Clerk programmed the computer before all the 27 hon. Members had their positions. Thank you very much.

The Temporary Speaker, (Hon. Shadrack Lesoipa): Hon. Members, it is the tradition of this House that, when the mover of the motion gives his observations... all said and done, continue Hon. Kiragu.

MCA Maralal Ward, (Hon. Fred Kiragu): Thank you Mr. Speaker. My name is Fred and not John.

The Temporary Speaker, (Hon. Shadrack Lesoipa): Sorry for that hon. Member.

MCA Maralal Ward, (Hon. Fred Kiragu): I also wish to add my voice in support of the list and I wish to congratulate the Chairman and his team and the Clerk attached to them. I also want to congratulate the climate around Naivasha because it helped them come up with a list that is agreeable to all the Members. I noted that they considered gender, professionalism and so forth. I hope that this will always be the way forward where we will work fairly to distribute everything in an order that it is agreeable to the House without any amendments. There is no committee that is more important than the other. In my opinion, all committees have a mandate to fulfill.

As we get to committee work, the committees must be seen to be alive and active. We must be seen to work so that every committee will have something to report to this House. Thank you very much Mr. Speaker.

Temporary Speaker (Mr. Lesoipa): Thank you hon. Members. There being no other contributions, I proceed to put the question **That**, pursuant to the provision of the Standing Order number 154/1, **That**, the Assembly approves the report of the Committee as moved by the Chairperson of the Committee on Selection.
