THAT, AWARE that the Constitution of Kenya 2010 and the Urban Areas and Cities Act, 2011, mandate county governments to provide governance and management frameworks for municipalities, including integrated development planning;

NOTING that the Maralal Municipality Integrated Development Plan (IDeP) 2025-2030 has been developed through extensive stakeholder consultations and incorporates key priority areas such as infrastructure, sanitation, water supply, waste management, transport, housing, economic empowerment, and environmental conservation;

CONCERNED that without an approved IDeP, the municipality may struggle to coordinate development, attract investments, and ensure equitable resource allocation;

NOW THEREFORE, this Assembly **RESOLVES** to adopt and approve the **Maralal Municipality Integrated Development Plan (IDeP) 2025-2030** as the official guiding document for urban planning and development.
