COUNTY ASSEMBLY OF SAMBURU
THIRD ASSEMBLY
(Third Sesssion)
REQUEST FOR STATEMENTS

Honourable speaker,

Pursuant to Standing Order 45(c), I respectfully request a comprehensive statement from the Chairperson of the Committee on Agriculture, Livestock, Veterinary, and Fisheries concerning the presence and impact of agricultural extension officers across the 15 wards in Samburu County.

Honourable speaker,

Agricultural extension officers are integral to the agricultural landscape of our county, providing essential support and resources to local farmers. In various parts of Samburu County, these officers are known to facilitate better farming practices, improve crop yields, and enhance the livelihoods of residents. It is imperative that we gain insights into the effectiveness of these officers and how their roles contribute to the broader economic development of our region.

Honourable speaker,

The well-being of our constituents is closely linked to the success of agriculture in Samburu County. The presence of skilled agricultural extension officers can significantly influence food security, income generation, and the overall quality of life for our residents. Therefore, understanding their deployment and the effectiveness of their programs is crucial for evaluating our agricultural initiatives.

Honourable speaker,

In light of this, I urge the Chairperson to investigate and provide a detailed report on the following matters:

1. **Deployment of Agricultural Extension Officers**:

 Are there designated agricultural extension officers assigned to each of the 15 wards in Samburu County?

2. **Specific Inquiry for Nachola Ward**:

   If yes who are the designated Agricultural extension officers for Nachola Ward?
