

REPUBLIC OF KENYA

THE SAMBURU COUNTY ASSEMBLY
THIRD ASSEMBLY
(FOURTH SESSION)
REQUEST FOR STATEMENTS

REQUEST FOR STATEMENT

Hon. Speaker,

Pursuant to Standing Orders 47, I rise to request a Statement from the **Chairperson of the Sectoral Committee on Education and Vocational Training** regarding the **status of bursary implementation for the Financial Year 2024/2025.**

Hon. Speaker,

The bursary programme is a critical lifeline for learners from vulnerable and disadvantaged backgrounds in Samburu County. As a devolved function under the County Government, the effective and equitable implementation of the bursary programme remains a key priority in supporting access to education.

However, there have been growing concerns from constituents of **Losuk Ward** regarding the **delayed disbursement, unclear beneficiary selection, and lack of transparency** in the implementation of the FY 2024/2025 bursary programme.

Specific Issues for Clarification

I therefore seek clarification from the Chairperson on the following issues:

1. **What was the total approved allocation for bursaries in the Financial Year 2024/2025?**
2. **How much has actually been received** and made available for bursary disbursement during the same financial year?
3. **What is the implementation status** of the bursary programme as of today – including stages completed and any challenges encountered?
4. **Provide a comprehensive list of all bursary beneficiaries** for FY 2024/2025, **disaggregated by institution level** (i.e., Secondary and Tertiary).
5. **Why is it that no beneficiaries for Losuk Ward Fund have benefited despite a list being submitted to the fund administrator on 11/7/2025?**
6. **When will the verified and rightful beneficiaries from Losuk Ward** receive their bursary allocations for the Financial Year 2024/2025?
