

Hon. Speaker,

The County Government must uphold the principles of fairness, accountability, and responsiveness in administering the bursary programme. Any delay, omission, or misallocation directly affects the education of children in marginalized communities.

I urge the Chairperson to treat this matter with **utmost urgency** and ensure that a **comprehensive and accurate response** is brought to this House at the soonest opportunity.

SIGNED: 

HON. PHELIX LENAMPARASIO, MCA,

LOOSUK WARD
