

COUNTY ASSEMBLY OF SAMBURU

THE HANSARD

Thursday, 15, August, 2024

The Assembly met at the County Assembly Chambers at 2.30 PM.

Temporary Speaker, (Hon. Lemoosa Jonathan) in Chair

PRAYER

MOTION

Temporary Speaker, (Hon. Lemoosa Jonathan): Hon. Members, motion;

THAT, pursuant to Standing Order 27 (3), this Assembly now adjourns today 15th August 2024 to 10th September 2024, members will have some ventilation in it though we do not put the question but we can always ventilate on why the House calendar is being adjourned or being altered. Thank you.

We really understand the schedule of the House that of course we have the normal calendar of the House but that does not mean Members cannot ventilate into it, the only thing is that we do not put a question to it, they can ventilate, we can always put a few items here and there but we do not put a question. Thank you.

Specially Elected MCA, (Hon. Stacy Nareyo): Thank you Hon. Speaker, I think it is important for us to adjourn the House, for my understanding, I think new have the upcoming CASA games, which the Members are participating in it, so I think that is the reason as to why we should adjourn the House. Thank you.

MCA El'barta Ward, (Hon. Leitoro Jeremiah): Thank you Hon. Speaker, I think I was part and parcel of the team that met yesterday, there was need for us to have a kind of a team building especially for the Hon. Members, I think during our three weeks recess period we are expected to have some very important meeting including apportionment of budgetary allocation to various Committees.

Now that we all understand that the financial year has kicked off and the budget has been uploaded Hon. Speaker, I think it will be prudent if we can be able to Fast-track the process of planning through budgetary allocation to various committees and I think every chair for every sector have been tasked so that we can be able to prepare plan for various activities for various committees.

I think this is the only time during our recess period that we will be able to do that plus the need of, Hon. Speaker, because I think we had a meeting with the Speaker and the Hon. Members who were present here on Tuesday that there was need for us the Hon. House to have a team building

activity that has been scheduled to take place in Archers post Hon. Speaker. So, I think Hon. Speaker, this is a good time for us to have this in order. Thank you Hon. Speaker.

Temporary Speaker , (Hon. Lemoosa Jonathan): Thank you Hon. Jeremiah Leitoro, MCA EL'barta, this is very important to why we have to even explain to Members why we have such an adjournment, what is important ahead of us, we have gotten the information that of course it is a calendar adjournment to alteration but ahead of us we have team building the way the Hon. MCA for EL'barta, we also have budgetary issues and this is very important because we are learning and as a House, if anybody says why do we alter the calendar, though it is that but the vital item is we have some engagement very important for us to be effective in our roles both as legislatures, oversight and I want to appreciate the fact that though our Members are new but that is the direction we want to go.

We just want to say, we want to alter the calendar of the House because it will also help us to say no, we do not want because we have this other engagement but now it is important to say just like what the Hon. Jeremiah and Stacey has said that it is prudent we alter our calendar in order to engage into very vital activity for efficient representation, legislation of the Members. Thank you so much the Hon. Members, that is prudent. The way it is we adjourn, we do not put a question that is the only thing we do unlike other motions. Thank you.

ADJOURNMENT

Hon. Members the time being 24 minutes past 3 O' clock and there being no any other business, this House now adjourns until Tuesday 10th September 2024 at 2:30 pm.
