(Hon. Phelix bows to second the Motion)

The Speaker, (Mr. Lenamarle Stephen): Hon. Members I now propose the Motion **THAT** pursuant to Standing Order No. 27/4 this Assembly resolves to alter its calendar to extend this House till Wednesday 11th at 2:30 P.M due to pending House Business which includes the Samburu County Finance Bill 2024 repose of the committee on rules and procedures on the amendment of the Standing Orders and the committee of Lands, Physical Planning Housing and Urban Development regarding the vetting of Maralal Municipality Board Members. Report on the nomination of chairperson and members to Samburu County Service Board.

Suguta Ward MCA, (Hon. Leleruk James): Mr. Speaker I urge the Hon. Members to support this Motion I know today was our day to start our recess but due to the pending issues that we wanted to finish before we break for our long recess I urge Hon. Members to support this Motion so that we can finish the business that is ahead of us so that when we open our House God willing next year.

We will start afresh when we do not have pending issues within our assembly, it is our duty to give our energies and support the Motion so that we finish all the pending reports because they are important and it has public interests, I urge all Hon. Members to debate with decorum and we support the Motion, thank you Mr. Speaker.

Thank you Hon. Speaker, I am just surprised that the Hon. Member is telling us the issue of the Motion on the nominees for the selection panel for the recruitment of the chairperson and the

Members of the Samburu County Public Service Board and Hon. Speaker I have not seen that report.

The Speaker, (Mr. Lenamarle Stephen.): Hon. Leleruk can you clarify?

MCA Suguta Marmar Ward, (Hon. Leleruk James): Hon. Speaker I think the Hon. Member has a different order paper, the issue on the Report of labor has been postpone to Tuesday next week because of small technicalities, so I hope you have not seen the new order paper that we are using, thank you.

Specially Elected Member, (Hon. Lenamatiyio Silapia): Thank you Hon. Speaker, I think it is the work of the assistant Clerk to give us the right order paper because we are using the other order paper that was also for today but I do not know what happened. Thank you.

The Speaker, (Mr. Lenamarle Stephen.): Hon. Lenamparasio

MCA Loosuk Ward, (Hon. Lenamparasio Kaunda): Thank you so much Hon. Speaker, you know Hon. Leleruk got me surprised because I just told him that we will not support this motion to adjourn this House because some of us are already prepared to travel but now I support. But I think let this be the last time that we adjourning our time to go and be with our constituents just because some issues that can be avoided. These guys have been having a lot of time and for them to bring this Report during the last day of our adjournment is not of good faith.

Not the committee not the Members but the executive. You know these guys knew that by December we are going for recess, they had all the other time to bring these report. I am seeing the issue of Samburu County finance bill 2024 and we are just wasting our time here waiting to debate on a Report that is time elapse long time ago.

I think for the future let us so realistic to avoid wasting our time, resources coming here just for some things. We have our calendar that we all developed as a House and then it should be followed with a lot of respects. So I support that we adjourn up to Wednesday next week. But next time I just urge the House leadership to make sure that those incidences will not appear again. Thank you so much Hon. Speaker.

The Speaker, (Mr. Lenamarle Stephen.): Hon. Members I now put the question that pursuant to standing order 27(4), this Assembly resolves to alter it is calendar to extends till Wednesday 11th

at 2:30pm due to pending House business which includes; the Samburu County finance bill 2024.
