2 PREFACE

2.1 BACKGROUD

Article 185 of the Constitution of Kenya, 2010 provides that the legislative authority of a County is vested in its County Assembly. A County Assembly is empowered to make laws necessary for effective discharge of functions under the Fourth Schedule.

Standing Order 173 of the newly revised Standing Orders of the County Assembly of Samburu provides for the reconstitution of the Committee on Selection to enable nomination of Members to various Assembly Committees.

Pursuant to the direction by the Hon. Speaker through his Communication from the Chair dated 9th September, 2025, the Committee on Selection was reconstituted and approved by the House on 16th September, 2025.

The names of the nominated Members are hereby submitted for approval by the House, as detailed below.

2.6 COMMITTEE SITTINGS

Mr. Speaker sir,

The Committee convened sittings during the retreat on 23rd, 24th, and 25th September, 2025. Deliberations were chaired by the Committee Chairperson, Hon. Joseph Loloju, and guided by the Office of the Clerk. Secretariat support was provided by officers from the legislative, research, and procedural departments.

2.7 SUMMARY

Mr. Speaker sir,

In executing its mandate, the Committee adopted the following criteria:

- ✓ Political party strength and proportionality
- ✓ Gender balance and inclusion of youth and marginalized groups
- ✓ Member preferences and professional background
- ✓ Regional/ward balancing across the County

The Committees were grouped into Sectorial and Select Committees, with each Member assigned fairly to ensure active and productive participation.

The proposed County Assembly Committees are as follows;

A. Sectorial Committees

1. Agriculture, Livestock, Veterinary Services and Fisheries
2. Medical Services, Public Health and Sanitation
3. Culture, gender, Social Services, Sports and Youth Affairs
4. Education and Vocational Training
5. Lands, Physical Planning, Housing and Urban Development
6. Public Works, Roads and Transport
7. Cooperative Development, Trade and Tourism
8. Environment, Water and Natural resources
9. Finance, Economical Planning and ICT
10. Labor, Social Welfare, Justice and Legal affairs

B. Select Committees

1. Budget and Appropriation Committee
2. Public Accounts and Investments Committee.
3. Committee on Delegated County Legislation.
4. House Business Committee
5. Committee on Procedures and House Rules
6. Committee on Powers and Privileges
7. Committee on Appointments
8. Committee on Selection
9. Liaison Committee.
10. Committee on Implementation

The above committees were clustered into two groups: Sectorial Committees and Standing/Select Committees. This categorization was aimed at streamlining committee operations, improving attendance coordination, and enhancing overall efficiency and performance in the execution of committee mandates.

Honorable Members,

The Committee on Selection undertook extensive deliberations and, upon conclusion, duly nominated Members to serve in the various Committees of the County Assembly, as outlined in the subsequent sections of this Report

2.8 COMMITTEE'S RECOMMENDATIONS

The Committee recommends that the County Assembly adopts the **Third Report of the Committee on Selection on the Reconstitution and Placement of Members into Sectoral and Select Committees**, with or without amendments.

Further, the Committee notes that the number of Committees in the Assembly significantly exceeds the available number of Members, and that the Minority Party is represented by a small number of Members. Consequently, to ensure functionality and quorum in all Committees, several Members have been nominated to serve in **more than two Sectoral Committees**.

This arrangement is in line with **Standing Order 174(3)**, which provides that:

"Except as the County Assembly may otherwise resolve, on the recommendation of the Committee on Selection for reasons to be stated, no Member shall be appointed to serve in more than two Sectoral Committees and more than one special select committee."

In this regard, the Committee recommends that the House **resolves to allow** this deviation from the standard limit, on account of the necessity created by the Assembly's composition and operational needs.

The Committee further urges the House to support this recommendation to ensure that all Committees remain fully constituted and are able to discharge their legislative, oversight, and representative responsibilities effectively.
