STATEMENTS

MCA Lodokejek Ward, (hon. Leshoomo): Thank you hon. Speaker, mine is just a clarification and I want to inquire the reports from the sectoral committees that we tabled as from February up to date and the chair, liaison committee did not mention what was going on.

Chairperson Liaison Committee, (hon. Lanyasunya): Thank you Mr. Speaker, I only received the report from hon. Leshoomo which is an indication that he is very active which is commendable therefore I urge the rest of the chairs to give the report I can compile and present, thank you.

MCA Lodokejek Ward, (hon. Leshoomo): Thank you Mr. Speaker, the year has just ended last month and we have not heard any reports from the executive through the chairs sectoral committees. It is wrong for the house as an oversight authority, to stay for a year without seeing the reports from sectoral committees, thank you.

The Speaker, (Mr. Lelegwe): Thank you hon. Leshoomo, I therefore refer this matter to the chairperson liaison committee so that they can compile all the reports and liaise with the executive so as the house be able to receive the sectoral committee reports on time, thank you. Thank you hon. Members, the time being five minutes to 10 o'clock, and there being no other business, this assembly stands adjourned until Wednesday afternoon, July 2015 at 2.30 p.m. thank you.
